

Welcome to The Boathouse.

The Boathouse Restaurant, boasting incredible views, is run by our young and enthusiastic Head Chef Shonagh and her Sous & Junior Chefs Bella & Bradley. Shonagh and Bella trained together in Perth. They have worked in a variety of Kitchens, exploring flavours from around the world, specialising in Italian, French, Turkish and traditional Scottish Cuisine.

“The ability to balance my work life and other passions, like skiing and watersports in such an incredible location with its fresh and locally sourced produce, is sensational.” - Shonagh - Head Chef
